

## CHILDREN FOR CHRIST MINISTRY

### Prayer letter for December 2025

#### THANKSGIVING

- Thank God for **His presence, His guiding hand and His abundant blessing** in everything that He has helped CFCM achieve this year.
- Training has finished for this year, and we praise God for the **1345 teachers** who have attended CFCM seminar days in 2025. We rejoice that these teachers are now equipped to explain the Gospel to children, and many are reaching out into their communities as well as the Sunday school children in their churches.
- Many **pastors** are included in these numbers, and we thank God for the opportunity to impress on them the importance of children's ministry and their role in encouraging the Sunday school teachers.
- Mr Phiri and Pastor Tembo conducted **CFCM training in Mzuzu** in November, attended by 20 Sunday school teachers. Pray that these teachers will go on well.
- Praise God for the increasing size and number of **CFCM Bible clubs** throughout Malawi this year.
- Thank God for **Grace Khumbo's new Bible club** on Likoma Island.
- Praise God for the **financial and prayer support** which has enabled our 2025 programme to run. Thank God for all those in the UK who have contributed through CFCM-UK, and for the CFCM-UK trustees.
