

## **CHILDREN FOR CHRIST MINISTRY**

### **Prayer letter for February 2026**

#### **THANKSGIVING**

- Thank God for the staff team and the regional coordinators who met together last month to make a plan for all the 2026 seminars across the country. Thank God for protection as they all travelled to Mponera, for the team spirit, and for the commitment of both volunteers and staff.
- Give thanks for an encouraging meeting between CFCM staff and Zambesi Mission's regional director, Anthony Masala. CFCM is a ZM partner, and we thank God for ZM's financial, practical and prayer support, both in the UK and in Malawi.
- Thank God that this year Jessica has been able to return to school to complete her education, with CFCM support. Jessica is the sister of Esnart, the disabled child who CFCM have been looking out for and ensuring she gets the appropriate help she needs. On discovering that her sister, Jessica, has not been to school for one year because the family cannot afford it, they have committed to help.

#### **PETITIONS**

- Pray that God will provide the resources for the 2026 programme, which will include over 30 seminars, a residential camp, and four 5-day clubs at Easter. Fuel prices rose by 41% last month. This will make a significant impact on the costs of all CFCM events.
- Pray for a fruitful meeting with the management of the Evangelical Bible College of Malawi to arrange training for the students. Pray that Levels 1-3 CFCM seminars at EBCoM will take place this month and that many students will be motivated to come and learn about children's ministry.
- Pray for Owen Mgada, one of CFCM's volunteers on Likoma Island. Thank God he has won a scholarship to study at Mzuzu Technical College, but pray that God will provide for his maintenance costs.
- Pray for school children who attend CFCM Bible clubs at their schools. Pray that their enthusiasm will draw more children, so that greater numbers are hearing the Gospel each week.
