

CHILDREN FOR CHRIST MINISTRY

Prayer letter for June 2026

THANKSGIVING

- Praise God for last month's 2-day **seminars at Mwanza rural**, run by the staff team, and **Muhuju, Rumphu** run by Pastor Tembo and Karen. Only 10 teachers attended the Mwanza seminar due to heavy rains, but 58 attended at Muhuju.
- Both of these seminars included a **demonstration Bible club** which is proving to be the most effective way for teachers to see the impact of Bible clubs and provide the motivation to start reaching out into their communities with the Gospel. 100 children came to the Bible club in Muhuju, and 80 attended in Mwanza, and many of these children committed their lives to the Lord. Praise God that so many children are hearing the Gospel, even at CFCM seminars which are aimed at the teachers.
- Thank God for the **funds** to carry out all the activities of last month, and for **safety and protection** for all those travelling.
- Praise God for the **growing number of CFCM Bible clubs** being held every week up and down the country, reaching thousands of children. The staff team regularly run Bible clubs at Mitsidi Primary School, Chitakale Primary School and Ntenjere and Namisu Orphanages.

PETITIONS

- Pray for the **children who committed their lives** to the Lord at the Easter 5-Day clubs as well as at the demonstration Bible clubs at Muhuju and Mwanza, that they will continue to be nurtured and disciplined at local churches and their commitment will be life-long.
- Pray for **Jessica**, whom CFCM are supporting to attend school. She is not doing well due to lack of parental care. Pray that the staff team will be able to help motivate and encourage her to achieve her best.
- On June 19th and 20th, the staff team will be travelling to **Nsanje** again to complete Level 2 and 3 training among Sunday school teachers. On the same weekend, Oden and Maclova will be running Level 2 and 3 for teachers at **Mangochi**. On June 26th and 27th Simeon and Mrs Manda will complete training at **Mchinji**. Pray that the teachers who attended level 1 last year will all return to complete their training and participate in demonstration Bible clubs. Pray for safety and good health for the training teams.
