

CHILDREN FOR CHRIST MINISTRY

Prayer letter for August 2026

THANKSGIVING

- Praise God for the teachers who completed Level 2 and 3 training and received their certificates at July's seminars. Sadly in Mzuzu and Machinga numbers were low due to attendance at a funeral and a community food distribution on the same day. These are the kind of unpredictable events that pull teachers away from training seminars, but we thank God that the 10 who did attend had plenty of time to complete their practicals and be well prepared for their work as Sunday school teachers. Thank God for the local volunteer trainers who ran these events.
- During the last week of July, the staff team ran training every afternoon at the Evangelical Bible College of Malawi (EBCoM). 45 first year students received Level 1 training, and they will have the opportunity to complete the course in September before the academic year ends. Also 26 second year students completed Level 3 during the week and did their practicals. Thank God for the opening to train these future pastors and church workers in children's ministry, and for the cooperation and assistance of the EBCoM staff.

PETITIONS

- Pray that all the newly trained Sunday school teachers will take up the challenge to establish community Bible clubs so that God's saving message reaches children who do not attend Sunday school.
- During August, Pastor Tembo will be travelling to Likoma Island to join the volunteer trainers on the island as they complete Level 2 and 3 training and assess the participants. Please pray for Tembo's safe travel to Likoma Island next week – the journey is quite arduous, and we thank God for Tembo's commitment to CFCM. Pray for a successful training.
- Elevate and Joseph will be going to Golomoti, Simeon and Mrs Manda to Ntchisi, and Oden to Dedza for Level 2 & 3 training. Pray that these events will not clash with community events and that the attendance will be encouraging and the participants enthusiastic.
- Children in Malawi will be on school holiday during this month. Pray for their protection – they are very vulnerable when they are not in school.
- Please pray for sufficient funds to fully support the seminar programme.
