

CHILDREN FOR CHRIST MINISTRY

Prayer letter for October 2026

THANKSGIVING

- Praise God for last month's seminars and for keeping CFCM trainers safe and well as they travelled. Ellness and Pastor Tembo trained a total of 21 Sunday school teachers at Euthini and Mzimba Boma. Simeon and Mai Manda trained 23 Sunday school teachers at Ntchisi. All of these Sunday school teachers were completing levels 2 and 3 and being assessed. All were successful and received their certificates.
- The staff team, Elevate and Joseph, carried out a week of afternoon training at the Evangelical Bible College of Malawi during September, taking 25 students through to completion of the course, practical assessments and awarding of certificates.
- Last month CFCM conducted a review of the 68 CFCM Bible clubs across Malawi. Most weeks up to 5262 children are attending these clubs and hearing the Gospel. Give thanks for this gospel opportunity and for the commitment of every Bible club leader. Some are working alone; some receive no support or encouragement from their church. Thank God for the CFCM staff team and regional coordinators who keep in touch and encourage these children's workers.

PETITIONS

- Pray for Gazeni, Gomani and Namalenga who will complete training in Phalombe on 9th – 10th October. This seminar did not take place last month because of poor communication between the churches, so pray that everyone will be better prepared this month and attend in good numbers.
- Also on 9th to 10th October Oden and Esther will be conducting training in Mangochi, Makawa. Pray that all teachers who attended level one will return to complete the course.
- Continue to pray for the CFCM office staff as they prepare for December's residential camp. The plan is for 56 children from several different Blantyre Bible clubs to attend, with 7 leaders looking after them. ECOM headquarters where the CFCM office is have offered accommodation for the camp taking place 19-20 December. Pray as staff consider all the safeguarding issues and adjust their policies accordingly.
- Pray for Jessica and Esnart, two girls from Chitakale whom CFCM help support in various ways. Pray that the hindrances to their attending school will be overcome.
