CHILDREN FOR CHRIST MINISTRY

Prayer letter for November 2026

THANKSGIVING

- Praise God for last month's seminars and for keeping CFCM trainers safe and well as they travelled. Gazeni, Gomani and Namalenga completed the training of 20 Sunday school teachers in Phalombe, while at Mangochi/Makawa Oden and Esther completed the training of 14 Sunday school teachers. Pray that the children in the Sunday schools of these 34 teachers will now hear the Gospel message clearly and will respond in faith. Pray that the teachers will consider reaching out to other children in their communities by setting up Bible clubs.
- CFCM's recent review of 68 CFCM Bible clubs across Malawi reported over 5,000 children attending these clubs every week and hearing the Gospel. Give thanks for this gospel opportunity and for the commitment of every Bible club leader. Some are working alone; most have no equipment or visual aids; some receive no support or encouragement from their church. Thank God for the CFCM staff team and regional coordinators who keep in touch and encourage these children's workers.
- Thank God that Jessica has returned to school this term with support from CFCM, and is repeating Form 1.
- Thank God for the completion of a safeguarding procedure for residential camps, currently awaiting agreement from CFCM's Executive Committee.

PETITIONS

- Pray for the CFCM office staff and the ongoing preparations for December's residential camp. The plan is for 56 children from several different Blantyre Bible clubs to attend, with 7 leaders looking after them. ECOM headquarters where the CFCM office is have offered accommodation for the camp taking place 19-20 December
- This month training will take place for the 7 camp leaders, so that they are all aware of the safeguarding procedure and the camp programme. Pray for wisdom as the staff team assign tasks to each of the volunteer leaders, and that all will take their roles seriously and be well prepared for the camp in December.
- Pray that God will prepare the hearts of the children who will attend the camp, that they will hear the message from God's Word. The theme is "Growing in God".
- These are the warmest months of the year in Malawi. Pray that children will stay safe and healthy in the extreme heat.
